Agenda Items & Notes

Objective

This meeting is used to share announcements and project updates. Please add your weekly updates to the agenda below. Guidelines are to share 2-3 high point updates on your progress since our last meeting and what you are going to do for the next week.

- **Topic 1 – Flight Controller Updates**
 - **Version rollback.**
 - **Drones are fully configured now. SW is running on the Rpi's without error.**
 - **Design queries:**
 - **Follow path or shortest path?**
 - **Install**
 - **RTK GNSS & EKF library (Summer/Next Year)**
- **Topic 2 – Rescoping**
 - **Network API roadmap, unsure if integration can be completed in time.**
- **Topic 3 – After Hours Access?**
- **Topic 4 – Final Inspection next Friday**

Minutes:

- **Topic 1 –**
- **Topic 2 -**
- **Topic 3 -**
- **Topic 4 -**
